How to Download the QAA Member App on an Apple device

Go directly to the QAA Member App download by clicking the following link:

[Apple QAA Member App Store download](#)

If unable to select the above link go directly to your App Store on your device icon:

> ➤ Search for QAA Member
> ➤ Select download
> ➤ You will need to enter your Apple ID password
> ➤ Once App has downloaded to your device, open the App

App will require a username and password to access (this is your current username and password used to access the website)

If you require help with your username and password details please contact the office via email or phone, access can be reset if required

You can now enjoy the benefits of our App:
