How to Download the QAA Member App on an Android device

Go directly to the QAA Member App download by clicking the following link:

[Google Play Store QAA Member App download](#)

If unable to select the above link go directly to your App Store on your device icon:

> ➢ Search for QAA Member
>
> ➢ Select install
>
> ➢ Once App has downloaded to your device, open the App

App will require a username and password to access (this is your current username and password used to access the website)

If you require help with your username and password details please contact the office via email or phone, access can be reset if required:

Phone: 07 3821 1488

Email: office@qaa.net.au

You can now enjoy the benefits of our App:

- Membership card now on your phone for easy access
- Membership Perks – check out the amazing discounts from our current sponsors
- QAA's latest news
- Book into an Event/Workshop
