

CRITERIA & BENEFITS

APPROVED CONSULTANT

CRITERIA

- Minimum AQF Level 5 Diploma in Arboriculture (to include subject list)
- Demonstrated evidence of on-going training, with proof of attendance, at 3 events per year. This can include:
 - QAA events and workshops
 - Climbing competitions (this can include volunteering as a judge)
 - QTRA, TRAQ, or VALID
 - ISA events or certifications
 - Arboriculture Australia events or workshops
 - In-house training
 - Online courses/training
- All relevant Insurances (e.g., Professional Indemnity Insurance – Certificate of Currency)
- Supply a minimum of 3 reports written within the last 5 years (specific client details can be removed)
- Proven experience with tree ID, location, and measurement
- Proof of experience with tree risk assessment methodologies (e.g., QTRA, TRAQ). Risk assessment cannot be hired/subbed out.
- Proven experience with tree condition investigation equipment (e.g., Resistograph, Picus, Tree Radar).

Note: We do not need proof of ownership of this equipment just inclusion of evidence obtained included in a report that you have compiled.
